

Circular No. (5) of 2024
Concerning the companies Having the License of
(Drinking Water Tank Cleaning)

To all concerned:

- Based on the provisions of Law No. (2) of 2012 Concerning the Preservation of General Appearance, Health and Public Serenity in the Emirate of Abu Dhabi, as amended by Law No. (10) of 2020,
- The administrative decision No. (26) of 2018 Concerning the general health and safety of the drinking water tanks in the Emirate of Abu Dhabi,
- The Administrative Decision No. (107) of 2020 Concerning the Amendment of Some Provisions of Decision No. (49) of 2017 for Issuing the Executive regulations of Law No. (2) of 2012 (Health control of non-food establishments),
- The administrative decision No. (108) of 2020 Concerning the approval of the guidelines manual for the executive regulations of Law No. (2) of 2012 (Health control of non-food establishments), and
- Based on what is dedicated by the work interest.

We issued the following circular:

Article (1)

All companies having a license to clean the drinking water tanks must be fully bound by the requirements mentioned in the decision No. (26) of 2018 Concerning the general health and safety of the drinking water tanks in the Emirate of Abu Dhabi. Such companies must also conduct all approved laboratory tests and sampling by a specialized laboratory technician, who will indicate temperature degree and size of the sample and prepare a report that includes all the basic information of the building.

Article (2)

This circular shall become effective as of the date of its issuance and shall be circulated to all concerned stakeholders in order to take necessary actions, each within its competence.

Dr. Salem Khalfan Al Kaabi

Director General of Operations Affairs
