Add Project Completed Works Value

Payment Distribution

Payment Distribution screen

The same value of the completed work to be distributed on both Main Work & Additional Work.

The system automatically calculates the value of the work performed for each activity depending on the percentage of this activity from the total value of the scope and calculate the remaining value of the activity if there is previous works done on it.

Add Project Completed Works Value

Payment Distribution

Provide the distribution of payments received across the different project scope activities. Please note that if the distribution of payments does not match the consultant fees received to date, you will not be able to proceed further.

Net Fees Received to Date to be Distributed	10,000,000
---	------------

Project Scopes			
Name	Scope Total Consultant Fees	Original Consultant Fees (AED)	Consultant Fees for Scope Accomplished Works (AED)
> وصف نطاق الأعمال الرئيسي - المبني الرئيسي	20,000,000	10,000,000	<input type="text" value="5000000"/>
> نطاق الأعمال الإضافي - أعمال حفر ومواقف وتشجير	10,000,000	5,000,000	<input type="text" value="5000000"/>

Note
The 'Consultant Fees for Scope Accomplished Works (AED)' that you have entered must not exceed the difference of 'Scope Total Consultant Fees' and 'Original Consultant Fees (AED)'.
