Service Guide for TAMM portal

Request Status Update of Engineer Temporary Licence

DEPARTMENT OF MUNICIPALITIES AND TRANSPORT

Oct 2022

As part of Abu Dhabi government initiative to move all government services under a single portal for government services (TAMM), all Engineering Professionals Licensing System (EPLS) services have been moved to TAMM Portal.

<https://www.tamm.abudhabi/>

The goal of this document is to help the users with accessing and navigating EPLS services on TAMM Portal.

EPLS Services: Applications are being created from the services list on TAMM Portal	
1-	<u>Request the Issuance of an Engineer Licence.</u>
2-	<u>Request to Amend an Engineer Licence.</u>
3-	<u>Request to Renew an Engineer Licence.</u>
4-	<u>Request to Suspend an Engineer Licence.</u>
5-	<u>Request Status Update of Engineer Temporary Licence.</u>
6-	<u>To Whom It May Concern Certificate Request - Engineer Licence.</u>
7-	<u>Invitation Request Status Update.</u>
EPLS Services: Applications are being created on MeCS and received in engineer inbox on TAMM.	
8-	<u>Engineer Invitation to Join the Engineering Staff of an Engineering Firm.</u>
9-	<u>Cancel Role Assignment.</u>

Access EPLS Services on TAMM

Users can navigate to EPLS services on TAMM under **“Housing & Property”** category on TAMM homepage → **Building and Construction** → **Construction Permits**.

Description

Through this service, you can submit an application to extend the validity of a temporary licence for an additional six (6) months or to convert the temporary licence to a permanent engineer licence at the Department of Municipalities and Transport.

Eligibility

Your eligibility for this service is determined based on the status of your [documents in MyLocker](#).

- Documents may have to be submitted during the service
 - Application Status.
 - Certificate of employment continuity.
 - Experience certificates.
 - Good Conduct Certificate.
 - Labor card. [Learn More](#)
 - Proof of Membership.
 - Residency Visa.
 - Signature Authorization.
 - The Engineer Card. [Learn More](#)
 - To Whom It May Concern Certificate.
 - Trade Licence. [Learn More](#)
 - Trade Licence Cancellation. [Learn More](#)
 - University Degree.

Conditions

- If the attested practical experience of the applicant exceeds 3 years, the applicant will be categorised as a practicing engineer, otherwise the applicant will be categorised as an intern engineer (in case of transferring from temporary to permanent licence).
- The application will be canceled if the requirements are not met within 30 days of informing the applicant.
- In case the engineer has a degree of engineering support program (such as Arts, Applied Science, or Technology) with an equivalency certificate and in case he or she is an active member of the Society of Engineers in UAE, the applicant applies for this service to transfer a temporary licence to a permanent licence.
- The date of the certificate of equivalency request (the date of receipt of payment for the equivalency request) that is entered when applying for the extension request must be prior to the date of filing the temporary licence request.
- The applicant must submit the required documents according to the following cases (engineer, partner, office manager) and when choosing more than one case, the required documents must be provided for all cases that have been selected.
- Extension of the temporary licence is only for one time if the equation is not available, and it cannot be extended again.

Process

- 1 **Submit the request through the available channels**
- 2 **Attach the required documents**
- 3 **Receive registration confirmation and registration card**

Fees

Description	Cost
Request Status Update of Engineer Temporary Licence	AED 0

Required Documents

Document	Document Description
Application Status	Temporary Licence Extension Requirements: Application Status Document Issued by MOE website Or To Whom It May Concern Letter stating the continuation of work copy
Certificate of employment continuity	- To Whom It May Concern Letter stating the continuation of work copy - for engineers working in private or government sector and office managers or partners - In the case of an outsourcing employee in a government entity or company, a letter from the outsourcing company and a letter from the government entity or company is required in addition to the labour card In the case of working for a government company from another emirate, a To Whom It May Concern certificate issued by the government company must be authenticated by the concerned entity

The Customer's Journey with the Service (1)

Licence Details

First Scenario : Extend Temporary licence expiry

Once a new application is selected, the system will request to choose the type of update required by inquiring about the availability of the Bachelor of Engineering degree equivalency as follows:

1 - If the answer is "no", you will be directed to extend the temporary licence card.

2 - If the answer is "yes", you will be directed to transfer the temporary licence card into a permanent licence
Each option will be reviewed on the following pages

The first scenario is to choose "No" and enter the date of submitting the equivalency application and the application number, then press the "Next" button at the bottom of the screen.

Licence Details

If you have obtained your engineering degree equivalency, your temporary registration could be transferred to a permanent registration. Otherwise, your temporary registration will be extended.

Note: You should be an Engineer with a Temporary Licence to apply for this service

Have you obtained the Bachelor of Engineering degree Equivalency?

Yes No
